What is the DEC Arts Grant Program?

The DEC Arts Grant is a competitive arts re-grant program for community based arts activities offered by eligible nonprofit organizations and individual artists sponsored by nonprofit organizations in Cayuga, Ontario, Seneca, Wayne, & Yates Counties. The grants are awarded for specific projects occurring between January 1 and December 31, 2010.

Phelps Arts Center (PAC) administers the DEC Arts Grant program with public funds from the Decentralization Program of the New York State Council on the Arts (NYSCA). **This grant program exists to support professional fees for artists and technical production services.** (1997-2007, this grant was known as the FLAGS DEC program).

The goals of the DEC Arts Grant program include: providing quality arts programming to the 5-county area; assisting emerging arts organizations; supporting cultural expression of our diverse ethnic groups; and making arts programming accessible to under-served and minority audiences. Emphasis in funding is placed on **arts projects & activities geared towards reaching under-served communities.**

Arts activities **must** be the primary focus of project requests. All requests need to have a public component – one that is available to the entire community. All projects are required to be accessible to all individuals and held at accessible sites. Categories include, but are not limited to: Dance, Photography, Music, Media (film, video, radio,) Opera/Musical Theater, Theater, Literature and Poetry, Folk Arts, Visual Arts, Humanities, Design Arts, Textile Arts, Skilled Crafts, and Multi-disciplinary programs.

The DEC Arts Grant is not for every nonprofit organization. It is best suited for small community arts groups and

emerging arts groups that can demonstrate professional arts quality and an adequate level of administrative standard.

What is the application process?

You **must** attend a mandatory seminar or schedule an appointment with the DEC Grants & Outreach Associate to go over the *Guidelines* and application process. Application Seminars are held across Cayuga, Ontario, Seneca, Wayne, & Yates Counties. These seminars provide an understanding of the DEC Guidelines and the mechanics of the application form. Reservations are recommended. Space at some locations is limited. Sessions last about 1.5 hours.

The Phelps Arts Center DEC Application is an online application. Online instructions are available at **www.artsfl.org**

Is additional assistance available to help create a competitive arts project for the DEC program?

Yes, you can make an appointment with the DEC Grants & Outreach Associate **after** you have attended a seminar for individual assistance or application review.

PAC DEC staff can review and comment on draft applications if the draft is received before the application deadline. This is optional and it should **not** be viewed as a commitment for either the applicant or PAC staff.

All reviews will take place at Phelps Art Center. Contact us to for appointments or to make reservations for an application seminar.

When is the Application Deadline?

Applications and Organizational Profiles must be submitted online no later than **Mon., September 21, 2009**. Supplemental materials must be hand-delivered to Phelps Art Center, 15 Church St., Phelps NY 14532 by 5 PM, Monday, September 21, 2009 or postmarked by that date. Early submissions are encouraged.

*Applications received after the deadline **will not** be accepted.*

May I submit more than one funding request?

Yes. Maximum combined funding support to any one artist or group cannot exceed \$5,000. It is not uncommon to have artists listed as participating in several completely different project requests from separate organizations. Each project stands alone, is reviewed individually, and funding decisions are independent.

What is the funding range?

DEC Arts Grants are not made below \$500 or above \$5,000 to any one organization or artist. Grants are not intended to cover the complete cost of the proposed project. In recent years, grant amounts ranged from \$800 to \$4,550, averaging \$2,500.

If my organization received a DEC Arts Grant in the past, may I still apply?

Yes, if you have received funding in the past, you are eligible to apply again if your previous DEC contracts have been fulfilled.

Each application is reviewed in the context of the current program guidelines, funding priorities, and evaluative criteria.

In funding repeat applicants priority will be given to those organizations that submit project requests that demonstrate growth, artist expansion, and community support if requested projects are similar to those of previous years.

Prior DEC funding does not guarantee continued support in any succeeding year
